

First Annual Rock N Rescue

The First Annual Rock N Rescue Benefit show for Abused Animals was a success! The event, hosted by Johnny O, was held at Sinix in Baltimore, MD on April 30th, 2011. This was a family event with bands of all genres, beer, food, special guests (did you get picture taken with Miss Maryland?), and more. This was all in the spirit of helping out the friends that love us the most, and ask the least: *our pets*.

We want to thank BARCS for inviting us as special guests to the event. Dogs Finding Dogs received generous contributions and BARCS received \$5,000 to help care for homeless animals. We were proud to support BARCS in this event and look forward to future events.
